SHOES FOR PE

Additional supplies may be requested by their individual teacher.

Also on the first day of school, your student will need to bring \$15.00 for content driven projects that they will be using for the entire school year. This fee can be paid by cash, check (made out to the Edmonds School District) or with a credit card - either online or in the school office.

We do encourage students to bring in used supplies that are in good condition. This is a real money saver!!

Coming to school prepared is a great way for students to come to school and be successful. Thanks for your support and in providing these materials for your children.

Thank you,
The Sixth Grade Team

A special THANK YOU to the Beverly PTA for generously supplying baby wipes for our students this year.
